

Wildewood Community Association, Inc.
Caregiver Consent Form

If your child (youth card holder, or youth-age guest under 12 years of age) will be chaperoned at the Wildewood Community Association Recreational Facilities by a babysitter ("Caregiver") 16 years of age or older, a completed copy of this form must be on file or presented at check in to enter the pool facility. Children 12 to 15 years of age must be able to pass the Safety First test administered by the pool staff in order to be permitted to use the pools without a responsible supervisor present.

A Caregiver that is not an active WCA Recreational Facilities Member or Non-WCA Member Pool Member, will not have access to the facilities if a parent or sibling over the age of 16 is present.
