

COMMUNITY SPOTLIGHT – As the pool season comes to an end, we would like to spotlight our Aquatics Director, Justine Shedd. Justine has been a resident of the Wildewood Community since 1996 and was a member of the first Wildewood Marlins Swim Team in 1999! Along with running the daily operations of the pool, she is also the Head Coach of the swim team. She spends countless hours, on and off the pool deck, making sure that the facility is safe and enjoyable for all members and their guests. We would like to thank Justine for her hard work and dedication to the Wildewood Community Pool!

The WCA 2024 pool season officially concludes on Labor Day, September 2nd. Pool hours 11am-8pm. Thank you to all Wildewood Community Pool staff for another wonderful season! Our managers, lifeguards, instructors and office staff did a wonderful job maintaining the safety of the pool as well as maintenance upkeep and pool cleanliness. We’ve enjoyed the 2024 season! See you all next year!

HEADS UP!... St. Mary’s County Public schools in session August 21!
