COMMUNITY TIPS!

-Please keep your trash and recycling bins secured, especially in windy weather. Try using a short bungy cord with a clip/hook to make sure the top of your bin does not fly open. Also remember, public trash cans *ARE NOT* for personal dumping! Your personal trash needs to go in your own trash bin or taken to the St. Mary's County Landfill off St. Andrews Church Rd.

-STAY ALERT! After recent accidents on the parkway, PLEASE pay attention, adhere to the speed limit and PHONES DOWN! Do not pass in the bike/pedestrian lane and be extra mindful during dawn/dusk times when visibility may be limited.

The WCA lodge is a great place for your next event. It's perfect for baby showers, birthdays, family gatherings...

NEW this year:

Any Automatic, Elective or NON-WCA WW resident is eligible to rent the lodge! We also have new rental "incentives" for those that register their Recreational Membership....the more you rent, the bigger the discount!

For more information about renting the lodge or registering your membership, go to www.ww-link.com

FRIENDLY REMINDER -Please adhere to the leash laws and keep your dog on a leash when in public settings, sidewalks and walking your dog. IT'S THE LAW

St. Mary's County Animal Control Regulations, Section 212.8-9 A:

"It shall be unlawful for any person, partnership or corporation to allow their animal to be at large."
